

January 1st Free Pork & Sauerkraut Dinner

The Grange's traditional start to the New Year, last held in 2014, was revived as a service project. Take-out meals were provided at no charge to about 150 guests with most giving donations. About \$900 was netted from the project and the proceeds set aside as a special fund for emergency needs in the community.

Thanks! The turn-out of volunteers to help was exceptional!
