May 6th Program: Autoharps

Millerstown resident Greg Schreiber has been building custom autoharps since 2007. Greg has apprenticed with world renowned luthier George Orthey of Newport and opened his own shop in 2010.

At our May 6th Grange meeting (*please note change of date!*) Greg will be speaking about the history of the autoharp, the various styles of music that it is best suited for and how he became involved with building these instruments. Included will be a demonstration of several different models of the autoharps that he builds.

2011 Community Citizen Named

Willard "Will" Benner (right) of Seven Stars Road, Millerstown, received the Grange's 34th annual Community Citizen Award at our Open House dinner in April. Grange President Doug Bonsall (left) presented the award plaque in recognition of Mr. Benner's active involvement and leadership roles in many local organizations including the Millerstown Lions, Sportsmen Association, Boy Scouts and Village Chapel. The educational program for the evening (shown below) was about colorectal cancer screening and treatment.

Grange Serving the Needs of Others

Daffodil Sales Report

In 2011 Perry Valley Grange raised \$1,546 during the sale and forwarded these funds to the local Cancer Society office.

For almost more years than anyone can remember, our Grange has taken an active role to support the American Cancer Society by selling daffodils – *the flower of hope* – each March in Millerstown and Liverpool.

A summary of sales: 66 bunches of flowers, 53 potted mini-daffodils, 5 “Vases & a Bunch” and 5 “Bears & a Bunch” plus 2 “Gift of Hope” contributions. The project was coordinated Grange Treasurer Barbara McMillen. Proceeds of the sale are used to fund cancer research, public education and patient services.

Perry Valley distributed dictionaries purchased by the Pomona Grange to third grade students at Greenwood Elementary School as part of the “Words for Thirds” project. This is a program undertaken by Granges all across the nation to present third grade students with a personal dictionary to help with their spelling and reading comprehension.

Books for Kids

Our Grange is providing \$500 to purchase books for distribution in two

local summer reading programs. In the Greenwood School District students who receive summer tutoring to improve their reading ability will be given two paperback books of their own. Newport area children who participate in the public library’s summer reading program will also get a book courtesy of Perry Valley Grange.

High School Awards

Continuing our long standing commitment to helping students, Perry Valley Grange will give four awards this spring to local graduates of Newport and Greenwood High Schools. In each school a \$200 U.S. Savings Bond will be given to recognize:

- **Outstanding vocational-technical graduates**
- **Outstanding FFA students**

Essay & Poster Contest Big Hit at Elementary Schools

About 130 entries competed this year in the Grange sponsored essay & poster contest in Greenwood and Newport Elementary Schools. The project is one of our biggest annual community service projects.

The theme for both contests in 2011 was **“If I Become Deaf Today, What Would My Tomorrow Be Like”**. Student participants were encouraged to use their imagination to describe in their essay or show in a poster how their life would be changed if they became deaf and how they would adjust to/cope with their loss of hearing.

In addition to receiving in \$400 in cash prizes supplied by our Grange, the local winners are now competing in the state level of competition.

An awards assembly was held in each school on Friday, March 25, 2011, and a very important part of this annual event is an educational program following this year’s contest theme.

(Above) Becky Enney of Camp Hill and Margy Fox of Harrisburg wrote and presented a puppet show in which one of the characters Mrs. Potato Head was having trouble with her hearing. A trip to audiologist Lorie Lieman of Pinnacle Health Systems and a hearing test revealed the need for a new, stronger hearing aid. The students were also very interested in the variety of hearing aids shown by Ms. Lieman.
