

Millersburg Ferry Picnic Cruise – July 13, 2012

The weather was threatening and a few raindrops fell as the boat was being boarded, but Friday the 13th turned out to be a very lucky day for the members and friends of Perry Valley Grange who ventured onto the Millersburg Ferry “Roaring Bull” paddlewheeler for a picnic cruise. About 30 people weren’t deterred by the gray skies and had a lovely evening of food and fellowship set amid the beauty of the central Pennsylvania mountains and the broad Susquehanna River. The Millersburg Ferry is on the National Register of Historic Places.
