

Grange Announces \$10,000 Grant to Perry County Fair

Annually Perry Valley Grange may use up to 10% of funds in its custodial account from the sale of its property in 2014 for community service projects. With these funds, the Grange finances many different causes including one major gift each year. This year's big project is a \$10,000 grant to the Perry County Fair's capital improvement fund. The eventual goal of this fund is to bring municipal water and sewage service to the fairgrounds. Fair President Darwin Kitner (left) accepted the Grange's donation at the June 19th "Concert in the Park" from Grange officials Linda Byers and Krista Pontius.
