

First 2018 “Concert in the Park” Smashing Success

About 150 people came out on a beautiful clear cool June evening for the first of two free concerts provided by the Grange and its 14 Business Sponsors at the Millerstown Community Park outdoor amphitheater along the Juniata River. The second concert of the summer will be July 24th.

“The Unusual Guests”, a 5-piece acoustical band, played music of the last five decades.

Free refreshments – *strawberry sundaes* – were provided by the Newport Masonic Lodge.
