

November Wine Tasting Program; Recognition for Continuous Membership

Krista Pontius (above), Grange program director, led a discussion and demonstration about the growing importance of the wine industry in Pennsylvania's agricultural economy.

This program took place at a dinner meeting held at the Ranch House Restaurant, Duncannon. The Grange treated its members to a complimentary meal for the occasion.

A variety of locally produced wines were sampled; participants had fun sipping and trying to identify the wines, each with its unique combination of flavors..

Continuous Membership Awards presented to Linda Byers (left) – 50 years and Bonnie Cameron (right) – 40 years.

A congratulatory letter from the president of the PA State Grange is now provided at 5-year intervals to honor continuous membership. So the November recognition was a catch-up for those who had reached (and in many cases surpassed) 5, 10, 15 or 20 years of membership.

Among those recognized, present were (below left to right): seated – Cathy Morrison, Linda Byers, Bonnie Cameron; standing – Alice Kirchner, Ezra Grubb, Natalie Fritz, Lori Comp, Carol Wierzbicki and Renee Hetrick.
