

## Business Sponsor Dinner & Recognition

In the opening years of the 21<sup>st</sup> century, Perry Valley Grange amended its by-laws to provide an opportunity for local business to support the Grange by becoming a "Business Sponsor". Since that time many local businesses, some years numbering nearly 50, have lent their support to the on-going work of Perry Valley Grange. Each year all Sponsors are invited to the Grange for a free recognition dinner and program. This year's event was held April 13, 2012, as part of the Grange's annual Open House Community Night. Representatives present received their Business Sponsor Certificates to display in their places of business so clients/customers would be aware of their cooperation with the Grange. Businesses not represented at the dinner later received their certificates by mail.
