

“Stop Hunger Now” Meal Packing Event February 3, 2015

Several members of Perry Valley Grange traveled to the State Farm Show building to help DFFA members from Cumberland, Dauphin and Perry Counties pack 23,000 meals in just over two hours to help feed the hungry. This meal packing event was an immensely fun, hands-on and rewarding experience that provided life-saving food to needy people around the world. *Stop Hunger Now* meals are nutritiously sound. Every dehydrated/soy meal is fortified with 23 essential vitamins and nutrients. Research has shown that one in three people in developing countries are adversely affected by vitamin and mineral deficiency. The Grange contributed \$250 to help the FFA chapters fund this project.

Grange volunteers (above and below) wore colorful aprons that identified Perry Valley Grange as a supporter of the Stop Hunger Now” project.
