

May 2011 Meeting Highlights

Amid its many other activities, Perry Valley Grange holds a monthly meeting. These meetings are sometimes a fellowship dinner with a program following, while other times (like in May 2011) the meeting began with a dessert reception and included a brief business session and an educational program. The public is always welcome to attend any Grange meeting or activity.

Local autoharp maker Greg Schreiber demonstrates how to play beautiful music on his handcrafted instrument.

Two new Grange members were welcomed in our fellowship.

A new officer is installed into the position of Grange Chaplain.
