#### 2011-2012 Perry Valley Grange Officers

2011-2012 Perry Valley Grange Officers

From Your President

## Grange Success Is Not the Officers' Job Alone

Our Grange recently elected and installed its officers for the coming 2-year term. Most of those who have agreed to serve have been serving in various positions of responsibility for many years and their continued devotion is much appreciated.

However, keeping our Grange active and progressive is not just the responsibility of these officers. If our Grange is to continue growing and making a positive impact on our community, all members need to carry their fair share of the workload. The Grange needs your attendance at meetings, help with fund raising events, and support of community service activities. Every time you say "I'm too busy......let someone else do my share of the work", the Grange is diminished because we accomplish less.

As you read through this newsletter, you may notice that some of our traditional projects are missing (e.g. the Thanksgiving Pie Sale and the free Thanksgiving Day dinner). **Why is this happening!?** 

(continued on page 2)

#### Thoughts from the President

(continued from page 1)

The leadership of the Grange has planned our organization's annual schedule and decided that some of our activities are no longer possible with the number of active members willing to participate and take some part of the responsibility. This state of affairs is directly related to how much time and effort you and all members are willing to give to the Grange.

The Grange cannot function as fully or as well without the enthusiastic support of many different members, each bringing their unique skills and abilities to the organization. The challenges of keeping our Grange viable is made much easier with more people involved, even if each is involved in just a few different activities or events.

Ask yourself this question – What would the Grange be like if every member did as much as I do to insure its success? If you're pulling your share of the load, thank you! If not, then only you have the power to change that!

#### Doug Bonsall,

President

# New PA GRANGE COOKBOOK Available

Just released in October 2010, this new PA State Grange Cookbook has over 1,500 recipes from Grange members and friends throughout Pennsylvania covering: Appetizers & Snacks, Beverages, Breads, Casseroles, Desserts, Diabetic

& Low Calorie, Jams & Jellies, Main Dishes, Pickles, Salads, Soups & Stews, This n' That and Vegetables.

Our Grange has obtained several cases of the books just in time for holiday gift giving. The cost is \$18/book, available at the Grange Hall during any activity or by calling Doug Bonsall at 921-1957. If individual books must be shipped, there will be an additional shipping fee of \$3 per book.

# **In Loving Memory**

Once more our fraternal circle has been broken with the sudden passing of Brother **Charles "Charlie" Page**. The Grange charter will be draped in his memory at our November 5<sup>th</sup> meeting.

## **Fall Family Fun Night**

The last fellowship meal of the season in the Grange's outdoor pavilion began our October 8<sup>th</sup> Fun Night.

After a game of Harvest Bingo and the distribution of door prizes, members and friends were invited to enjoy a multi-generational hayride.

There was just a bit of nip in the air that evening, so everyone bundled up as they eagerly anticipated the wagon's departure.

#### 2011 Grange Dues Now Payable

The vast majority of our Grange's annual receipts come from fund raising activities. It is thanks to the hard work of many dedicated members that our organization is able to raise so much money and do so many good things in the community.

The annual dues paid by members are a smaller, but still very important, part of our income. Dues support the local, state and national levels of our organization and enables the Grange to maintain a presence the local community and in our state/national capitals. A significant portion of Grange work done at the state and national levels is in the area of legislation, representing our interests and concerns.

There is no change in the amount of dues for 2011. For adult members, \$5 of your dues remains at the local level. Your dues for 2011 are now payable as follows:

Adults	\$40
Youth	\$12

If you pay before January 1<sup>st</sup>, you will save our secretary the work and expense of completing and mailing an individual notice to you.

From time to time members and friends of the Grange contribute gifts above and beyond annual dues to give a special boost to the Grange or one of its specific projects. Especially for those members who are unable to help with the projects themselves due to illness, age, schedules or distance, the contribution will be a way you can get personally involved. You may complete and submit the form printed below to pay your 2011 dues and/or make an additional donation.

## Next Grange meeting....Nov. 5<sup>th</sup>

Please note the change of date from our usual 2<sup>nd</sup> Friday. This will be a business meeting with draping of the charter, reception of new members and a program about South America. Our own Linda Byers recently vacationed in Brazil and Argentina and will share pictures and stories from the oceans, rain forest, mountain, glaciers and people.

# **Business Sponsors**

Perry Valley has a category of associate Grange membership that enables local businesses to support our work in the community. The number of *Business Sponsor Members* continues to grow and in 2010 we have 49. This membership helps the Grange and we help our business sponsors by advertising their support in our bimonthly newsletter, on our website and on the main bulletin board in the Grange Hall.

If you know of a business that might be interested in this type of partnership, please talk to them about becoming a *Business Sponsor Member* of Perry Valley Grange. Bill Cameron, our Membership Chair, can provide you with the application and details about the business sponsor supplying us with their advertising information. A letter inviting local businesses to join the Grange or to renew their membership will be sent in mid-November. The 2011 Business Sponsor fee remains at \$60.

#### Installation of Officers

The Grange is a fraternal organization with a rich ritualistic history. While our regular meetings today do not include the use of all the traditional ritual, the installation of officers held every two years is one of those times when we look forward to hearing, seeing and participating in the full ritual of the installation ceremony. Sister Anna May Snyder Nauss of Mechanicsburg was the installing Officer at this event held September 10<sup>th</sup> following a fellowship dinner in the pavilion. All other Granges in Perry County were invited to participate in the evening and we are pleased that Oliver Grange joined us to be installed.

# Welcome to our Newest Grange Business Sponsors

### **Update on Joint Grange-Masons Cooperation**

One of the realities that your Grange leaders have faced is that the limited number of currently active Grange members can no longer do everything that is needed to maintain our property and raise the funds needed for all the expenses. That's why we entered into talks over a year ago with the local Masonic groups in Newport.

Two Masonic groups – Newport F&AM Lodge #381 and Newport Royal Arch Chapter #238 - have met in rented space on the upper floor of a building just off the square in Newport for many years. The condition of that meeting room, the flights of steps to reach it, unreliable heat or cooling, and the lack of parking in the vicinity have prompted these groups to approach the Grange to share use of our facilities.

The Grange membership approved a preliminary agreement with the Lodge at our August 2010 meeting and authorized the Executive Committee to work out final details. Since we are not selling real estate, the agreement does not require any action or approval by the State Grange. In lieu of paying rental fees, the agreement requires the Lodge to provide volunteers for all fund raising and for maintaining the property.

Four Grange representatives and four Lodge representatives make up a Joint Operating Committee to manage the shared use of our property, its maintenance and the fund raising. A separate bank account will be established to keep these receipts and expenses separate from finances that pertain specifically to either the Grange or the Lodge. In recognition of the Grange's capital investment in the property, the joint agreement calls for the Grange to receive 50% of any excess receipts over expenditures at the end of each fiscal year. The remaining 50% of the funds not needed for immediate expenses will be put aside for future capital improvements to the facilities that will continue to be owned by Perry Valley Grange.

The Grange representatives on the Joint Operating Committee are: Peg Bolton, Doug Bonsall, Barbara McMillen and Carol Rhoades. Carol has agreed to become the Financial Secretary of the Joint Committee and Doug will be the Treasurer. The Chair, Vice Chair and Recording Secretary of the Committee are members of the Lodge.

The Lodge membership has given its approval to the agreement and is now awaiting final approval from the Grange Lodge of Pennsylvania to move the official meeting place of the local Lodge & Chapter from Newport to the Grange Hall. Not anticipating any issues since input has been received from Masonic officials throughout the past year's planning process, the Lodge & Chapter will begin holding their regular meetings 2 or 3 times per month in the Grange Hall starting in November. You'll notice these dates how been added to the Grange Hall calendar which appears on page 13 of this newsletter.

The shared use of the Grange Hall is a "win-win" situation for all involved. The Grange will be able, at least for the foreseeable future, to continue owning the property for our use and that of the community. The Lodge will have a handicap accessible, climate controlled facility in which to meet. The work will be shared by a much larger pool of volunteers than either organization has on its own.

Moving into this shared use means we have the opportunity to meet and work with many other persons who, like we Grangers, are concerned about the welfare of our community. It also means we will have to adapt to new personalities and new (perhaps better!) ways of doing things. This is an exciting time; we hope more Grangers will come forward to get involved and become part of history in the making.
